Don't Miss The Bus!

Attendance Initiative

V2.0 - July 2019

Don't Miss The Bus!

Don't Miss The Bus!

Background:

Last year, the School Council voted in favour of a new initiative designed to reward good attendance, called '**Don't Miss The Bus!**' We still awarding 100% attendance certificates for those with 99% or higher each term and for the overall academic year, but felt that if a child had better than **97.5%** attendance and had only been ill for a couple of days, they were missing out.

What is it?

We will track all pupils' attendance from **Wednesday 4th September until Friday 10th July 2020**. All children who achieve **97.5%** or greater attendance at the end of this period will automatically take part in a trip out on a bus that will take place in the final week of the summer term.

Where's the bus going to?

The School Council will be taking votes on where the destination for this day out should be. Some of the destinations already discussed have been the beach, Crosby Lakeside and the cinema! This will be decided upon later in the year.

How does it work?

Based on this monitoring period, 182 days attendance would equal 100% attendance. **A child who is absent for 4 days will have missed 8 sessions and have an overall attendance of 97.8%**. All children who have 4 days or less **authorised absence** in this period, will automatically be included. **Any children who are absent for more than 4 days (e.g. 5 or more days) in this period will not.**

What about Medical Appointments?

Children who have medical appointments and provide appointment cards for their conditions **will not be disadvantaged by this initiative**. As a reminder to all parents, appointments for dentists and doctors that can be made out of school hours, should be at all times.

But we are planning a family holiday!

Family holidays are not authorised by default and many families are fined for taking holidays in term time. *Family holidays will count against the overall attendance* for the child and if the holiday is for more than four days, it will result in the child not being eligible for this trip.

Punctuality counts too!

Being on time for school is equally important. Children who are late each day, miss out on the opportunity to learn and this adds up over the course of the year. Children who are late after registers close (9.30am) fail to get an attendance mark for that session.

What happens to those children who miss the bus?

They will still be expected to attend school on the day that the event is held. This is not a punishment and children remaining in school will take part in a variety of activities. Last year, **245** pupils made it on to the bus. This was **MORE** than half of our school population! It would be great to have even more pupils making it this year!

Yours faithfully,
