

February Half Term Challenge 2022

Activity 1

Spark your interest in birds by laying out some seeds in an outside space. The RSPB have guides that teach you how to identify different species of birds. Create a checklist for them to tick off as they spot them. Send me your tick list.

Activity 2

Here's the link to Draw with Rob on YouTube https://www.youtube.com/channel/UCBpgrJijMpk_pyp9uTbxLdg follow his tuition and amaze yourself with your drawings. Make sure you send us a picture of your final creation.

Activity 3

The library is filled with all sorts of exciting things to do. Find your favorite author and get lost in your favorite books, draw a picture or surf the internet for fun facts on the book or author. Send me your picture or fun facts.

Activity 4

Bake a cake! Whether you decide to bake one big cake or lots of little cupcakes, decorating them is always lots of fun! Don't forget to take a picture before you eat them all!

Activity 5

Plant some seeds in a cup at home and watch them grow. Go to this website for some ideas <https://slickgarden.com/20-easy-seeds-to-grow-in-a-cup-seeds-to-sow-grow-with-kids/> Remember to take pictures of the process.

Activity 6

Visit a museum or take a free virtual museum tour. <https://www.stayathomemum.com.au/my-kids/activities/12-virtual-museum-tours-for-kids-you-can-do-right-this-second/> Write some facts of what you've learnt on your tour.

Activity 7

Create paper animals. If you've got some card, scissors and a pen lying around then you're in luck, check out this website or create your own. <https://www.dayoutwiththekids.co.uk/blog/easy-animal-crafts-kids>

Collect extra Children's University credits during the February break by completing this challenge. Each activity is worth 1 credit, when you send evidence of your activity to local Children's University. This could be a photograph, video, a work sheet, or writing! Send it to laura.ashcroft@elevate-ebp.co.uk
